

EVO SPORT

EVO SPORT WAVE PORTS

Wave Armor PWC Ports are virtually the only unsinkable drive-on/roll-off PWC docking systems available on the market! The Foam-Filled Interior increases buoyancy & structural integrity.

EVO SPORT

The EVO Sport is specifically designed for smaller, lightweight PWCs (Sea-doo® Spark and Yamaha® EX series) or stand up models. Featuring the direct-connect system for ease of installation, the EVO Sport can quickly and easily connect to your floating or fixed dock or set up as a stand-alone port.

FEATURES:

- Rotationally Molded UV Protected Polyethylene Construction
- 12 Adjustable Wheels with Stainless Steel Axle for Corrosion Resistance in Saltwater
- Smart Stop Soft Rubber Bow Stop with Stainless Steel Chain & Quick Clip Tie Down System
- Molded-In Direct Connect Mounts on Front of Port
- Tan Flagstone Textured Finish
